

COST OF STREETS UNDER ESTIMATE

Borough Saves \$1,945.77 On Paving. Final Price Less Than Contract Figure.

FIRE ENGINE EXPENSIVE

Borough is Spending About \$600 to Place Auto Truck in Shape to Fight Fires.

Gettysburg saved \$1,945.77 on the contract for paving of Chambersburg and York streets, the Town Council was informed Wednesday evening at their regular October meeting. The contract price for the Borough agreed upon when the contract was let by the State Highway Department was \$46,528.80. Final surveys which have just been completed show the Town's share will be \$44,583.03. Of this amount the Borough has paid all except ten per cent, the sum withheld until the final approval is given by the Highway Department. The money which has been paid the William P. McDonald Construction company, of Philadelphia, has been borrowed from the town banks.

The work of collecting the shares to be paid by the persons whose property abuts on the paving will be started as soon as the borough surveyor S. Miley Miller, completes his estimates, fixing the amount to be charged to each property owner. It is believed now the cost to the property holders along the street will be \$3.50 a front foot.

Fire Engine Problem

Ira Plank, representing the Fire company, appeared before the Council and told them that the engine had been repaired and was in excellent condition but that it would not be a dependable fire apparatus until a new starter had been installed. Mr. Plank explained that the starter now in use was valueless and that it was a second-hand part when the fire engine was received. He added that with the present starter there was danger of breaking the shaft unless the starter was assisted by the use of the crank. The Council decided the engine, although it had been a source of constant expense, was of no value unless it was in condition to be used. They voted to make the necessary additional repairs which it is estimated will cost \$400. A bill of nearly \$200 for repairs to the engine was ordered paid by the Council Wednesday night. Burgess Eicholtz was given permission.

APPROVE TWO BRIDGES

State Pays Share of Building Two County Spans.

Two new concrete bridges in Adams county, one located on the Low Dutch road in Mt. Pleasant township and the other across Group's Run, east of Idaville, in Huntington township, have been pronounced satisfactory by C. W. Hardt, Assistant Engineer of the Township Highways of the State Highway Department. Both structures were built by the township supervisors.

Under the provisions of the "State Reward" Act the Township Division today certified to the State Treasurer for payment \$247.64 as the State Highway Department's share of the cost of the Idaville bridge and \$86.67 as the cost of the Mt. Pleasant township structure.

WEDDING LONG A SECRET

John E. Slaybaugh and Flossie H. Shultz Married August 21.

News of a wedding which has been kept secret for seven weeks leaked out today when it became known that Flossie H. Shultz, daughter of Mr. and Mrs. John N. Shultz, Baltimore street, and John E. Slaybaugh, son of Mr. and Mrs. E. E. Slaybaugh, Springs avenue, were married at Lebanon on August 21 in the parsonage of the Lutheran church by Rev. C. E. Liebegott, who was graduated from the Seminary here in the class of 1915. The newlyweds are among the best known young people of Gettysburg. Mr. Slaybaugh is employed in the offices of the State Highway Department here.

LIFE TERMS FOR BANK ROBBERS

Adams and Mitchell Convicted in Sandy Springs Murder Case.

ALIBI SAVES THIRD MAN

Court Divided in Opinion on Adams. Unanimous on Mitchell. May Ask For New Trial.

Clarence F. Adams, Camden, N. J., and John W. Mitchell, alias "Big Bill," Philadelphia, were Wednesday evening convicted by the Frederick County Court, of the murder of Francis M. Halliwell, a director of the Sandy Springs Bank, and the robbery of that institution on April 26.

They were each sentenced to life imprisonment in the Maryland Penitentiary. Attorney C. S. Patterson, of Philadelphia, attorney for Mitchell, said an appeal from the court's decision would be filed promptly.

Joseph Thomas Penderghast, Philadelphia, indicted with Adams and Mitchell, was found not guilty, with Judge Peter dissenting. Detective Malone, of Philadelphia, pounced on Penderghast after he walked from the courtroom a free man, but he was not held, there being no warrant for his arrest. Detective Malone said Penderghast may be arrested later.

Decision Not Unanimous

In reaching a decision in the Adams' case, Judge Worthington dissented. He entertained doubt as to the guilt of the accused. In pronouncing the sentence Judge Urner said that had the decision of the court been unanimous, the penalty would have been hanging. Judge Peter dissented in fixing the penalty.

The verdict of guilty against Mitchell was unanimous. But in view of the fact that Adams, who, though convicted by a majority of the bench, was given but life imprisonment, Judge Urner announced that it seemed inequitable to sentence him to the extreme penalty. Therefore he was given life imprisonment. Judge Peter dissented from this sentence.

One Claims Innocence

When asked if he had anything to say why sentence should not be passed Adams arose from his place among about 20 armed officers and said in a hesitating but perfectly collected voice: "Your Honors I'm not accustomed to these sort of cases, and I don't know just what the procedure is." He then told the court he had nothing to say.

Mitchell said: "I'm innocent of the crime charged against me. My life." (Continued on Fifth Page.)

LANCASTER COUPLE MARRY

Come Here From York Fair For Ceremony.

To start for the York fair, then to suddenly decide to make it their honeymoon trip was the experience of George F. Saxmann, Latrobe, and Miss Ella E. Evans, Lancaster, who were married at the local Reformed parsonage by Rev. Paul R. Pontius at 5:30 Wednesday evening. The newlyweds left Lancaster Wednesday morning for York. Upon arrival there they decided they did not care about the fair, but would be married instead. The trip to Gettysburg was made, and the marriage performed.

DEMOCRATIC MASS MEETING

Plans have now been completed for the first Democratic mass meeting in the presidential campaign by the county leaders. It will be held Friday evening at 8 o'clock in the Court House and an invitation has been extended to the public in general. Mrs. A. H. Hayward, of York, and Major John A. Farrel, of West Chester, are the speakers for the evening.

HOPE FOR STREETS

T. C. Frame, assistant constructing engineer for the State Highway Department, has given the Borough officials hope in regard to paving of Carlisle and Baltimore streets next year. Mr. Frame while here said, "These streets are on the list and if conditions are improved as they probably will, your streets will be the first on the docket next spring."

CANN LEFT TRAIL OF DEBTS HERE

Recruiting Officer in Confinement at Bennings Charged With Misrepresentation.

"Sergeant" W. P. Cann, for several months in charge of the United States Army recruiting station here, has been relieved of his post in the recruiting service and sent to Camp Bennings, Georgia. He is charged with gross misrepresentation while on duty here.

Following inquiries regarding the status of Cann and the receipt of information concerning his conduct here, Sergeant I. W. Partin, recruiting officer of this district located at Chambersburg recalled Cann. Mr. Partin came to Gettysburg Wednesday to investigate the condition of affairs as left by the recruiter.

He discovered that Cann had been masquerading as a sergeant whereas he holds the rank of private and that he had left in his wake a string of debts. Cann, who is a married man with two children, said he was unmarried.

Sergeant Partin expressed regret over the conduct of Cann in this county and explained that in his many years of recruiting duty for the army had never had to relieve a man upon a similar charge. While here the sergeant located a number of bills charged to Cann and he listed these, requesting other merchants who have charge accounts against the soldier and those from whom he borrowed money should send their statements to the Chambersburg recruiting office. Cann will be under guard at Camp Bennings until he has earned sufficient money to pay all his indebtedness. According to the number who presented bills Wednesday to Sergeant Partin, Cann will probably be doing time for many months.

Sergeant Partin announced he would send the best men of the district to take charge of the recruiting office here. Burr O'Donnell and Raymond H. Behm, he said, would come here next week.

TO FURNISH ROOM

Christ Lutheran Will Outfit Room at Hospital.

The Council of the Christ Lutheran church was authorized Wednesday evening by the congregation at the annual meeting to furnish a room at the Annie M. Warner Hospital, the cost of which is not to exceed \$250. Six rooms at the hospital are now being furnished by churches or clubs. Other organizations have indicated they will furnish rooms so that it is the belief of the directors that all rooms will eventually be in charge of churches or established clubs.

The free pew system was also adopted at the meeting of the congregation. It was decided that the mid-week services in the church should be held at 7:30 o'clock in the evening the year round.

The following officers were elected: elders, H. M. Bender, George Chritzman, and Dorsey Dougherty; deacons, M. K. Eckert, A. B. Plank, and J. I. Burgoon.

PURCHASE BANK SITE

Abbottstown State Institution Soon To Start.

Abbottstown's new bank is to be located on the square at that place. The building committee has purchased the property of Mrs. John Henry, which is located on the northeast corner of the square, which will be the future home of the bank. The price paid for the property is \$5,000. Work on remodeling the place so as to make it suitable for banking purposes will start soon.

A safe and vault has also been purchased for the bank from the York Safe and Lock Company, and other arrangements for the opening of the town's first banking institution are rapidly being completed.

CHANGE IN TWO POLLING PLACES

Second Ward Votes at Eagle Hotel. Change at New Oxford.

VOTERS REQUEST ACTION

Twenty Election Booths Purchased. Will Be Distributed to Districts With Big Increase in Registration.

Preparations for the November election, now less than four weeks off, are being rapidly pushed to completion by the Adams County Commissioners. Two changes in polling place were decided upon at the last meeting of the Commissioners, and additional election booths were provided for in a number of election houses. According to George Baker, commissioners' clerk, inadequate voting accommodations was the cause of the changing of the Second Ward voting room from Harry Gilbert's to the Eagle Hotel, and owing to the fact that the store room of Mrs. Cora Fair, of New Oxford, formerly used as polling place, is no longer vacant, the former post office room of William Emmert has been secured as a place to set up the booths.

In speaking of the changes in the polling places, Mr. Baker said, "The polling place in New Oxford borough has been changed from the store room of Mrs. Cora Fair to the former post office room of William Emmert. This change was found necessary on account of Mrs. Fair's room being used as a storehouse."

"Inadequate conditions caused the Second Ward polling place in Gettysburg to be moved from Harry Gilbert's."

REPORT TEN DEAD FROM EXPLOSION

British Tanker in Flames at Brooklyn Dock. Am-bulances Called.

(By Associated Press) New York, Oct. 7.—An explosion occurred shortly after 2 this afternoon on a British tank steamer tied up in the shipyard at foot of 27th street, Brooklyn. Approximately 100 persons were reported to have been aboard when the explosion occurred.

A report sent to the offices of the United States Shipping Board in Manhattan stated 40 men were on the vessel when the blast came. At 2:30, 20 minutes after the explosion it could not be learned whether anyone had been killed but calls for ambulances were sent to all hospitals in Brooklyn and police reserves were called.

Reports received at police headquarters in Manhattan said that ten persons were known to have been killed in the explosion.

Fire apparatus raced to the scene when it was reported five other steamers in the yards were endangered by the explosion.

AGED WOMAN DIES ON BIRTHDAY

Mrs. Ellen C. Conover Stricken Suddenly With Apoplexy at Home of Daughter.

While celebrating her eightieth birthday at the home of her daughter, Mrs. Charles Foulk, in Mt. Joy township, Mrs. Ellen C. (Maring) Conover was suddenly stricken with apoplexy and died. She suffered a stroke of paralysis about a year ago but apparently had fully recovered and on the morning of her birthday appeared to be in the best of health. She was stricken as she sat at the breakfast table. The deceased was the widow of Samuel D. Conover who died seven years ago.

She was a member of the St. John's Lutheran church at Littlestown and a member of the Ladies' Aid Society of the Grace Lutheran church at Two Taverns.

Surviving her are eleven daughters and sons as follows: Mrs. Charles Foulk, Mrs. William Keefeauver and Mrs. Charles Shanbrook, all of Mt. Joy township; Harry Conover, Washington, D. C.; Howard Conover, Mt. Joy township; Curtis Conover, Harrisburg; George Conover, Mt. Joy township; Charles Conover, of Aspers; William M. Conover, of Gettysburg; Claude Conover, of Harney, Maryland; Norman Conover, Mt. Joy township. Three sisters, one brother and one step-brother also survive. Mrs. Milton Yost, Hiawatha, Kansas; Mrs. Emma Stary, St. Louis, Missouri; Mrs. William Cohouse, Littlestown; brother, John Maring, step-brother, Solomon S., both of Littlestown. Nineteen grandchildren and six great grandchildren are also survivors.

Funeral Saturday afternoon at 1 o'clock at the home of Mrs. Foulk, Mt. Joy township, conducted by her pastor, Rev. I. M. Lau, of Littlestown. Interment in the Mt. Carmel cemetery.

NICELY OUT OF GAME

Wrenched Back Puts Star Out For Season.

Gettysburg College football fans received a shock today when it was announced that Harris Nicely, Montoursville, veteran of three years line play on the Orange and Blue varsity teams, would be lost to the team for the remainder of the present season. Nicely had played guard in previous seasons, but at the beginning of 1920 practice, Coach Wood switched him to fullback. He became a star almost immediately in his new position. A short time before the State game, Nicely wrenched his back. Although he did not accompany the team to State, no one thought his injury was serious.

MARKET POORLY ATTENDED

Only Four Market Men on Curb This Morning.

What probably was the poorest record for attendance and variety of products offered on a clear morning at the 1920 Gettysburg curb market was made this morning. Only four truckers, with nine different kinds of vegetables and farm products in stock, lined the curb. Corn, potatoes, apples and grapes made up the bulk of the stock. Potatoes strengthened a little after their big drop in the last two weeks. Choice grades sold for \$1.25 per bushel, while the smaller ones could be purchased for \$1.

LOWEST TEMPERATURE

Mercury Registered Thirty Four Degrees Wednesday Evening.

When the thermometer registered thirty four degrees Wednesday evening, it marked the lowest temperature thus far in the fall of 1920 for Gettysburg, according to local weather man, Colonel E. B. Cope. The previous low mark was made on the night before when the mercury registered thirty seven.

FIX OCTOBER 18 AS CLEAN-UP DAY

Board of Health Appeals to Citizens to Aid Enterprise.

TO HAUL AWAY RUBBISH

Council Agrees With Board That Clean-up Should be Annual Event For Civic Improvement.

Monday, October 18, has been fixed as Clean-up Day in Gettysburg by the local board of health. At the last meeting of the board it was decided to recommend to the Town Council that a day be set aside for the purpose of disposing of rubbish and beautifying the town. The Council Wednesday evening agreed a clean up was a good idea.

Arrangements of details for the clean-up were given over entirely to the board of health. The Borough has agreed to stand the expense involved in hauling away the refuse.

It is the intention of the board of health that every citizen shall make a special effort October 18 to clean-up their premises and to place the rubbish collected in the alleys on piles where it can be shoveled on wagons and carted away. It was pointed out by the board of health that only light refuse could be handled and that ashes or any other bulky materials would have to be disposed of by the property owner.

October 4 was the date fixed by the State Department of Health as Clean-up Day for all towns and cities in the State in a concerted effort to do away with especially rubbish that is conducive to the breeding of flies next spring. The observance of the day here was delayed in order to secure the co-operation of the Council. It was also mentioned by Health Officer David M. Crist, who presented the proposition to the Council, that this work should be done before Farmers' Day so that the town would look its best when the residents from the outlying districts come here as the guests of the Borough.

While the movement to clean up is primarily a health enterprise, the members of the board of health, in bringing it to the attention of the citizens have emphasized the civic improvement side, believing that both are essential factors in making the town a better place in which to live.

Starting Tuesday, the day following Clean-up Day, wagons will make a tour of all alleys of the town. All rubbish or refuse piled there in such a way that it can be easily handled will be hauled out at the expense of the Borough.

WIRING COURT HOUSE

Make Changes Required By Insurance Company.

Extensive changes are being made in the electrical wiring of the Court House under the direction of the County Commissioners. They found it necessary to take this step when they received notice that the wiring was not in accordance with the requirements of the company with which the building is insured, and that until the defects had been adjusted, the company would not assume the risk of fire. Defective insulation is being repaired.

The Batting Order

Brooklyn, Oct. 7.—The line up for today's game:

Cleveland: Evans, left field; Wambegans, second base; Speaker, center field; Burns, first base; Wood, right field; Sewell, shortstop; O'Neill, catcher; and Caldwell, pitcher.

Brooklyn: Olsen, shortstop; J. Johnston, third base; Griffith, right field; Wheat, left field; Myers, center field; Konetchy, first base; Kilduff, second base; Miller, catcher; and Smith, pitcher.

Ebbetts Field, Brooklyn, Oct. 7.—Another reel of the autumnal World's Series thriller entitled "Taking The Third Game", was thrown this afternoon on the baseball screen with the gonfalon winners of the National and American leagues—Brooklyn and Cleveland in the leading roles. Some 20,000 or more fans saw the Brooklyn Dodgers and Cleveland Indians come to grips to take the odd game of the series on the Brooklyn ball lot before taking the trail westward tonight to engage in a four-ply affair on the Indian reservation in Cleveland.

"I've got Sherry Smith and Jeff Pfeffer ready for the game," said Manager Robinson, of Brooklyn. "It depends on how they warm up which one will take the mound. The boys have started to hit. We have looked over the best pitching I believe the Clevelandans can show and I feel sure we can win the series."

The Indians with their two best batters—Coveleskie and Bagby—out of the reckoning for the time being have "Duster" Mails pinned for polishing off the Dodgers. Mails was a Brooklyn rookie some years ago.

"If Mails gets his fast ball working," said Manager Speaker today, "the Brooklynians will have the time of their lives getting to him. Mails is ready to pitch when I call on him."

FIGHTING WILL CEASE FRIDAY

Poles And Russians Agree to
End Bloody Struggle.

ARMISTICE IS SIGNED

Delegates Assemble at Riga. Halts
Two Years of War. Victory Came
to Poland.

Warsaw, Oct. 7.—Dispatches from
Riga say that hostilities between the
Poles and Russian soviet forces will
cease Friday under an armistice signed
by the Polish and soviet peace dele-
gates Tuesday.

The cessation of hostilities between
the Russian soviet and Polish forces
will mark the close of the most serious
warfare following the great war. The
fighting between the Russians and
Poles began in December, 1918, and
reached an acute stage when the Poles
made their first sweep eastward to
Kiev, which they captured, followed by
their gradual retreat until the soviet
forces had again forced their way
westward and were threatening War-
saw. The present negotiations were
initiated about that time, first at
Minsk and then at Riga, and have re-
sulted in the armistice now announced,
which is to bring the fighting to a
halt on Friday.

Moscow Announces Armistice
Paris, Oct. 7.—Dispatches from
Warsaw and Moscow Wednesday
announced that an armistice between so-
viet Russia and Poland had been signed,
according to the Havas agency.

Armistice News Confirmed
Washington, D. C., Oct. 7.—The
State Department received official con-
firmation of the published report that
the Polish and Russian soviet dele-
gations at Riga have agreed upon the
terms of an armistice. The depart-
ment's advisers state that the armis-
tice agreement will be signed Fri-
day. The terms of the agreement
were not stated, and officials here are
not advised as to even the probable
conditions on which the heads of the
two delegations agreed at a time when
it looked as if negotiations would end
in failure.

Advices received through official
channels indicate that evidences of
war-weariness are numerous behind
both the Polish and Bolshevik lines
and that the people generally want
peace and want it quickly. For some
days dispatches received from official
representatives have made it clear
that the Polish people are quite as
anxious to see the end of hostilities
as are the people of the soviet Russia,
who were told when Lenin and
Trotzky shed the reins of power that
they would have speedy peace and
plenty.

It is assumed here that the present
program will be carried out and that
a permanent peace treaty will be
negotiated by Poland and Bolshevik
Russia within a reasonable time.
Meanwhile, active hostilities will
end on the Russo-Polish front.

In view of past experience, it is
conceded that a hitch may occur, but
there appears to be good ground for
believing that the Moscow authori-
ties are anxious to bring hostilities
to an end because of increasing
discontent in the ranks of the Red
army and other complications
following the successive defeats ad-
ministered by the Poles.

The great problem which will con-
front the Bolshevik authorities after
hostilities end will be the disposition
of the big Red army. It is assumed
by military men that Trotzky will
attempt to annihilate General Wrangel
before severe weather makes major
military operations impossible. Doubt
is expressed that sufficient time re-
mains to enable the Bolshevik
authorities to concentrate an adequate
force to crush Wrangel in the im-
mediate future. General Wrangel
appears to be gaining strength every
day. Unless the Red army is kept
active it will quickly disintegrate and
become a menace to the Bolshevik
regime.

SIX CASUALTIES IN MINE FIGHTING

Deputy Sheriff Killed And Three
Wounded. Officers Raid
Meeting.

Charleston, W. Va., October 7.—One
deputy sheriff was killed, three others
were wounded seriously, and two
miners were shot in a fight early
last night at Blair, Logan county, W.
Va., on Little Coal River, according
to information received here by Fred
Mooney, secretary of District No. 17,
United Mineworkers of America.

Mr. Mooney announced that his
report on the fight, received by tel-
ephone, indicated that the trouble
started when the deputy sheriffs in-
terrupted a meeting of Blair Local
Union No. 2887, United Mineworkers.
He added that, according to infor-
mation received by him, Joseph Gore,
a Logan county deputy sheriff, was
killed, and that one miner was
wounded, probably fatally.

The shooting occurred, Mr. Mooney
said he was informed, when Gore and
a miner got into an argument during
a meeting of the local union.

The three men with Gore, who
were wounded, are Holly Smith,
Butch Mullen and Elmer Smith, while
the two miners who were shot are
Oscar Pepp and Seymour Kinder. The
two Smiths and Pepp are not ex-
pected to live, according to the report
to Mr. Mooney.

LOST KEYS INDICTMENT

Case of Negro Murderer May Go
Over.

When District Attorney Clippinger,
of Franklin county, reached the Joe
Keyes murder case he could not find
the old bill of indictment, under
which a true bill had been found by
the grand jury at September term,
1886. The files of the clerk's office
were raked from top to bottom, but
no bill could be found. It was lost.

The result was that a new bill of
indictment will have to be drawn and
laid before the grand jury. In the
rush of work incident to disposing
of the big October docket the dis-
trict attorney may not be able to
draw a new bill, and as the witnesses
are all dead or widely scattered it
may be that the case will have to go
over till December term.

agony of a dying city. Petrograd's
present population, based on the food
cards, now is from 500,000 to 600-
000, and the former capital of the
Czars is described as having shrunk
to one-fourth its prewar size. The
report says:

"Death stalks on every side wait-
ing for winter to aid in the grim
work of mowing down the silent,
hungry, sick and dying thousands.
With streets and houses choked with
filth that is already spreading spotted
and intermittent typhus, the cold
weather will finish the task with
pneumonia and abdominal typhus.

"The fuel situation was never so
bad. Wooded houses have been torn
down for fuel. The material is
distributed equally among the popu-
lation, but during the nights the
more active citizens steal the quota
of wood from others.

"The wood yards have been na-
tionalized. One of them had been
given up entirely to the manufacture
of 30,000 coffins monthly. But even
this number is insufficient. People
have not time to bury the dead, and
the bodies take their turn waiting
several days.

"Attempts to repair the streets,
which are full of the holes owing to
bursting water pipes, have failed be-
cause the wood blocks for pavement
have been stolen during the night for
fuel. Lighting is allowed only two
half hours each day, and then not all
houses are supplied on the lines fur-
nished by the authorities.

"The mortality has reached a
startling rate owing to the lack of
food and unsanitary conditions of
houses and streets. Fat has left the
majority of the population long ago.
At present the muscular tissue is
consumed. The faces of people have
taken on a wax-like color. In order
to fill their stomachs with something
they drink different substitutes for
tea and coffee, or great quantities of
plain water, resulting in puffiness and
dropsy, which change the expression
of the face so that even old ac-
quaintances are unrecognizable."

GREATER CROWDS AT YORK FAIR

Estimated Attendance Over 75-
000 on Biggest Day of
Week.

Bundled in great coats and furs and
clad in winter garments, 45,000 per-
sons thronged to the York Fair
ground Wednesday, more than dou-
bling the Tuesday crowd. The in-
crease in attendance was evident by
the great activity in all departments
and demonstrated that little less than
a cyclone or a similar catastrophe
could block the public's intentions
this week.

The weather man presented perfect
weather for "Big Thursday" and es-
timates of the number of persons on the
grounds today range from 75,000 to
100,000.

State Secretary Inspects

Fred N. Rasmussen, secretary of
the department of agriculture, was a
visitor at the grounds Wednesday. He
was welcomed by a big crowd and
ushered around to see the exhibits in
the various departments. H. N.
Forrey accompanied the secretary on
his tour of inspection.

Five signal corps carrier pigeons
arrived at the fair grounds Wednes-
day for the army recruiting party.
They were liberated in front of the
army display tent today with mes-
sages from York men of prominence
to national officials in Washington.
The messages were written by Ma-
jor Hugentugler, Postmaster E. C.
Peeling, Congressman Brooks and
Dr. John Wogan, president of the Ag-
ricultural society, and attached to
four of the birds.

TO DRILL FOR OIL

Search for oil near York Haven will
begin on November first, when it is
said one of the oil company's whose
pipe line passes through York county,
will start drilling. The operation will
be on a plot of ground about a mile
and a half from the borough, along
the Conewago creek.

RIDES 500 MILES

PORTLAND, Ore.—This 11
months' old baby looks mad and
there's a reason. Her mamma,
Mrs. Frank Brown, of San Fran-
cisco, is wheeling her on a North-
west tour. The tot has been
bumped along 500 miles already.
Brown walks with his wife and
they take turns providing the mo-
tive power for the baby carriage.

GIRL SAYS WOMAN VAMPED BROTHER

Country Lass Charged With
Throwing Pepper in Eyes
of Woman.

New York, October 7.—It rests with
the grand jury which will convene at
Brunswick, N. J., October 15, to de-
termine whether or not the pretty
city lady vamped the innocent country
boy in the summer resort of James-
burg, New Jersey.

This determination will be called
for after consideration of the case of
Mrs. John Jennings, wife of the as-
sistant chief of the Fire Department,
who is under \$200 bail, accused of
throwing red pepper into the eyes of
Mrs. Herbert Thomas, wife of a Wall
street broker.

The innocent country boy is 25
years old and his name is Norman
Jones. He is Mrs. Jennings's brother.
"Yes, I threw the pepper into that
woman's face because I did not want
my brother to become too well ac-
quainted with her," declared Mrs.
Jennings Wednesday.

"Mrs. Thomas has been following
my brother, Norman Jones, about for
several months," asserted Mrs. Jen-
nings. "She has asked him constantly
to take her out for auto rides and
on long walks.

"I have been nervous all summer
and under a doctor's care. When I
saw Mrs. Thomas talking to my
brother in front of my house I lost
all fear of the consequences and
rushed into the house, got the pepper
and threw it at her."

The mother of Norman Jones, who
lives nearby and in a house directly
opposite to one formerly occupied by
Mrs. Thomas, also spoke along the
same lines. She said that she had
remonstrated with Mrs. Thomas on
the street because of her friendship
for her son.

TO ENFORCE ATTENDANCE

Abbottstown School Board to Carry
Out School Code.

Action was taken to enforce the
compulsory school law at a recent
meeting of the school board, of Ab-
bottstown. The following resolution
was adopted: Pupils under 12 years
of age are to make full time, and
only valid excuses for the parent, will
be acceptable in case of absence.
Pupils from 12 years to 16 years of
age must attend 75 per cent of the
term.

ATTENDED FUNERAL

Mrs. John Lawrence, James Law-
rence, Mr. and Mrs. Joseph E.
Lawrence and son, Paul, of town,
have returned from Altoona where
they attended the funeral of Law-
rence Paul Stich, widely known
manufacturer of that city, who died
last Saturday there following an
illness of some months from rheu-
matism.

milk. During the present week he
has addressed meetings of milk men
in Littlestown, New Oxford and Two
Taverns. Next week he will speak at
meetings in Bonneauville, Sells Sta-
tion and Hampton.

CHANGE IN TWO POLLING PLACES

(Continued from First Page)

bert's, Chambersburg street, to the
room, recently occupied by the College
Endowment Drive, at the Eagle Hotel.
This action was taken by the Com-
missioners after a petition properly
filed and signed by the required num-
ber of electors in the precinct, had been
presented with the request that an-
other polling place be provided to
take care of the increased number of
voters eligible. For some time past,
complaints have been coming in that
the Second Ward polling place was too
small to satisfactorily accommodate
the voters.

"In the new Second Ward election
place, the room is large with two
doors. One will be used for entrance,
the other for exit. In this way, we
hope to avoid confusion."

Twenty extra election booths have
been purchased by the Commissioners,
and will be distributed into the dis-
tricts that have increased their regis-
tration. It has been the experience of
the election boards that the rush of
voters comes from 5 to 7 o'clock in
the afternoon. In order to accommo-
date this rush and to provide for the
extra voters made eligible by the en-
franchisement of women, the Com-
missioners deemed it advisable to pur-
chase the extra booths.

SPORTING COLUMN

GRIMES TOO MUCH FOR CLEVELAND

To Brooklyn Pitcher Goes Honor of Winning Second Contest.

New York, October 7.—In a pitching duel between the leading hurlers of the National and American Leagues, Burleigh A. Grimes, Brooklyn's spitball ace, Wednesday shut out Cleveland 3 to 0 in the second game of the world's series at Ebbets' Field. His ability to hold the Indians in check when hits would have meant runs marked his superiority over James C. Bagby, whom Manager Speaker selected to add a second game to the Cleveland string.

The victory which placed the Superbas alongside Tris Speaker's Indians was due almost entirely to the excellent hurling of Grimes, who had the heavy-hitting representatives of the junior league baffled throughout the game as far as consecutive binging was concerned. With the exception of the eighth inning, when Grimes temporarily lost sight of the home plate, Cleveland never appeared in the light of a serious contender.

The score:

CHANDLER SIX \$1895

Chandler is Back to \$1895

Chandler's reduction to \$1895 is the news on the street today. And it's good news to the car-using public, because it means that Chandler has taken another big stride forward in the leadership of its field.

The Greatest Dollar-for-Dollar Value Throughout the Industry

The Chandler has always been closely priced and today, at \$1895, it is decidedly the greatest value in the whole automobile industry.

The Leader of All Sixes; Most Closely Priced

It has always been the basic policy of the Chandler Company to build a really fine automobile and to price it closely. The great Chandler plant, the millions of capital employed in Chandler production are back of that statement. They exist because of that policy. Chandler is the greatest of sixes and the most fairly priced.

Constantly Refined and Improved But Never Radically Changed

Other cars of many kinds and many motors have come and gone while the Chandler Six, now in its eighth year, lives and grows, and every season multiplies its thousands of friends. There

is only one Chandler Six, refined and improved throughout the years but never radically changed. There is no other car like it. You will find the exclusive Chandler motor under the hood of no other car. No other car, within hundreds of dollars of the Chandler price, has the features characteristic of the highest type of design and construction for which the Chandler Six is justly famous.

Handsome Chandler Body Types On One Standard Chassis

On the one standard Chandler chassis, famous for its marvelous motor and for its sturdy, dependable construction throughout, are mounted six beautiful styles of bodies that meet every requirement for your comfort and satisfaction. Beautiful in design, exceptionally roomy and comfortable, and highly finished, these six Chandler models invite your most exacting inspection.

may not mean much to you three judges, but it means something to me. I'm innocent of the charge."

On being freed, Penderghast said: "Your honors, the majority members of the bench, what I said on the stand this morning is true. You didn't make a mistake in finding me not guilty. I was in Atlantic City on April 26."

The decision of the court was handed down Wednesday night shortly after 8 o'clock, after consideration of about two hours and a half. Judge Urner explained that the court had reached a decision in each of the three cases before a new case had been opened.

The state and defense closed their cases at 2:30 o'clock Wednesday afternoon. The alibi of Penderghast held. It was shaken but mildly by the state. There was no criminal record against Penderghast, and he admitted that he had been arrested but one time, in Baltimore city, which charge was dismissed after 10 days' investigation.

ADMINISTRATORS' SALE OF VALUABLE REAL ESTATE ON SATURDAY, OCTOBER 9TH, 1920

The undersigned, administrators of the estate of Peter Brough, late of Latimore Township, Adams County, Pa., deceased, by virtue of an order of sale issued by the Orphans Court of Adams County, will offer at public sale on the farm premises in Latimore Township, Adams County, Pennsylvania, the following valuable real estate:

perches of land situated along the public road leading from the village of Latimore to the Dillsburg Road, about three-quarters of a mile from Latimore. It is improved with a two story weather-boarded dwelling house, with out-kitchen attached, bank barn, hog pen, wagon shed, chicken house and other outbuildings. There is a good spring of water at the house and a well at the barn, and a stream of never failing water flowing through the farm; also containing about 8 acres of good timberland. This farm is in a high state of cultivation, is one of the best producing farms in Latimore Township, and should command the attention of buyers.

At the same time and place there will be sold a tract of timberland, situated in Latimore Township, Adams County, Pa., containing 9 acres and 7 perches of land.

The sale will commence promptly at 1 o'clock P. M., when terms and conditions of the sale will be made known by

AMANDA BROUGH and

JOHN E. BROUGH.

Administrators of the estate of Peter Brough, dec'd.

Address York Springs.

To Our Friends and Patrons

The time of year is at hand when people will start buying their Fall and Winter clothing. We have an excellent supply of goods, no detail, no matter how small, has been missed in selecting our stock.

FOR THE NEXT THIRTY DAYS we are going to make a clean

Ten Per Cent Reduction

on all new goods purchased

Here is an opportunity to make your dollars and cents count. We have a sufficient stock of merchandise to supply every member of the family, from the smallest to the largest. A few of the items listed in this sale are given below:

Famous MAYO WINTER UNDERWEAR—unsurpassed for service and quality.

Dress and every day SHOES—for every member of the family.

Men's and Boys' Winter Suits.

Men's and Boys' Cord Pants.

Men's and Boys' Overcoats and Mackinaws.

Men's and Boys' Wool and Dress Shirts.

Gum Boots, U. S. quality—all sizes.

Sweaters for everyone—at bargain prices less 10 percent

Woolen Blankets—unsurpassed in quality.

Army Rain Coats—big supply.

Remember all our civilian goods are strictly new stock. The entire list will be sold at prices that challenge comparison.

Some people wonder how we can do business selling goods at the prices we do. Here is the reason:—The purpose of our store is to give everyone a square deal and their money's worth. Small expense and a large number of sales give us the same amount of profit that fewer sales with a large profit on each one would result in. Compare our prices with goods at other places and convince yourselves.

Do not forget that for the next thirty days we will sell this complete line of merchandise at TEN PER CENT BELOW REGULAR PRICES. All clothing, shoes, etc., are plainly marked. You can see the prices for yourself. Another principle is that all goods must give satisfaction or your money will be refunded.

An enormous purchase of MEN'S and CHILDREN'S SLIP-OVER SWEATERS, also sweaters with sleeves, will be on sale Saturday. The quality bought allows us to sell them at \$1.98 and \$2.98. We will guarantee that you cannot buy sweaters of this quality at these prices anywhere in the county.

Do not forget we have a complete line of Army Goods at prices that do not require much discussion.

Come to see us if you buy or not. We will appreciate your visit just the same.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as in liquid form.

BRADFORD, PA.—"Dr. Pierce's Favorite Prescription is an excellent tonic for women. Some time ago I became all run-down, weak and nervous. Was miserable when I began taking 'Prescription,' and three bottles completely built me up and made me feel like a different person. It so improved my nervous system that I can give it the very highest praise. It was the means of improving my health in every way."—Mrs. J. H. WINGARD, 26 York Street.
